To \$90 per month and travel; it ex-
plains in simple English how to make money
in the tobacco business and address American Wholesale
Tobacco Co., New York City, N.Y. 64-181

**WANTED—100 strictly first-class
bank agents for the new work entitled
“The War,” by the fascinating author
of “Five Branches of Two.” This work
is one of the interest in the most charac-
teristic of the modern world. It has been
published in the United States and re-
ceived the highest praise from all who have
seen it. The work is now being published
in the United States and is being sold at
the lowest price ever known.**

Woodworth's Perfumes

[illegible]

A detailed black and white illustration of a large, heavy-duty industrial cider mill. The machine features a large horizontal hopper at the top for feeding apples, a central grinding mechanism with a heavy flywheel on the left side, and a collection bin at the bottom. The entire unit is mounted on a sturdy metal frame with four legs.

E are now manufacturing and have far surpassed the new and improved

HAND CIDER MILL.

is the simplest and best in use. Its capacity is that of any mill in the market, more easily and with less crumpled appearance and cost only a day in the country. It is sold at the price of

\$30.

For further particulars, or for any other of our mechanical apparatus, please send your name and address to the VALLEY FLOUR AND GRAIN LITERAL MACHINE WORKS, Nos. 12 and 14, between Twelfth and Thirteenth, Louisville, Ky.
